LAND ECONOMICS
a quarterly journal

DEVOTED TO THE STUDY OF ECONOMIC AND SOCIAL INSTITUTIONS

VOLUME XLII

February 1966-November 1966

LEADING ARTICLES

ADAMS, DALE. Colombia's Land Tenure System: Antecedents and Problems 43–52
APPELO, BURTON. Land Tenure in the Central Business District (Warren R. Seyfried, co-author) 171–178
BARRACLOUGH, SOLON L. Agrarian Structure in Seven Latin American Countries (Arthur L. Domike, co-author) 391–424
BELOTTI, MARIO L. Development of the Italian South, The 495–502
BERNEY, ROBERT E. Micro-Analysis of Mobile Home Characteristics with Implications for Tax Policy (Arlyn J. Larson, co-author) 453–463
BURROUGHS, ROY J. Should Urban Land be Publicly Owned? 11–20
DAIUTE, ROBERT J. Methods for Determination of Demand for Outdoor Recreation ..327–338
DOMIKE, ARTHUR L. Agrarian Structure in Seven Latin American Countries (Solon L. Barraclough, co-author) 391–424
EL MALLAKH, RAGAEI. Planning in a Capital Surplus Economy: Kuwait 425–440
GELFAND, JACK E. Credit Elasticity of Lower-Middle Income Housing Demand, The ...464–472
GREENHUT, M. L. On the Question of Realism in Economic Theory and the Regulation of Public Utilities 260–267
HANSEN, NILES M. Some Neglected Factors in American Regional Development Policy: The Case of Appalachia 1–9
HARBERSON, ROBERT W. Recent Trends in the Regulation of Intermodal Rate Competition in Transportation 315–326
HARPER, ROBERT A. Recreation Based Economic Development and the Growth-Point Concept (Theodore H. Schmudde and Frank H. Thomas, co-authors) 95–101
HOLDEN, ARTHUR S. Phenomena of Long-Term Credit, The 363–370
HOYT, HOMER. Growth and Structure of Twenty-One Great World Cities 53–64
HUFF, DAVID L. Programmed Solution for Approximating an Optimum Retail Location, A 293–303
JOHNSON, V. WEBSTER. Significance of Land Ownership in Land Reform 21–28
KOEFOD, PAUL E. Some General Problems of Economic Development 247–259
LANE, THEODORE. Urban Base Multiplier: An Evaluation of the State of the Art, The ..339–347
LARSON, ARLYN J. Micro-Analysis of Mobile Home Characteristics with Implications for Tax Policy (Robert L. Berney, co-author) 453–463
MACE, RUTH L. Trends in the Market Value of Real Property in the Central Areas of Two North Carolina Cities (Charles L. Weill, Jr., and Gustav M. Ulrich, co-authors) 85–94
MARTIN, PRESTON. Aggregate Housing Demand: Test Model, Southern California ..503–513
MCFARLAND, CHARLES K. Federal Government and Water Power, 1901–1913: A Legislative Study in the Nascence of Regulation, The.441–452
MCLOUGHLIN, PETER F. M. Development Policy-Making and the Geographer's Regions: Comments by an Economist 75–84
MINASIAN, JORA R. Ambiguities in Theory of Peak-Load Pricing and Application of Theory of Queues 355–362
MORSS, ELLIOTT R. Potentials of Competitive Subsidization, The 161–169
NIEWENHUYSEN, JOHN. Economic Development in the African Reserves of South Africa 195–202
NOURSE, HUGH O. Economics of Urban Renewal, The 65–74
OGDEN, DELBERT C. Economic Analysis of Air Pollution 137–147
PARR, JOHN B. Outmigration and the Depressed Area Problem 149–159
PRYBYLA, JAN S. Transportation in Communist China 268–281
SCHAAF, A. H. Some Theory and Policy Implication of the Postwar Housing Boom ..179–187
SCHECHTER, NATHANIAL E. Low Purchased Energy Costs to the Rural Electric Cooperatives 304–314
SCHMUDDE, THEODORE H. Recreation Based Economic Development and the Growth-Point Concept (Robert A. Harper, and Frank H. Thomas, co-authors) 95–101

SECKLER, DAVID W. On the Uses and Abuses of Economic Science in Evaluating Public Outdoor Recreation 485–494
SEYFRIED, WARREN R. Land Tenure in the Central Business District (Burton Appelo, co-author) 171–178
SHEPHERD, WILLIAM G. Regulatory Constraints and Public Utility Investment ...348–354
SNYDER, J. HERBERT. New Program for Agricultural Land Use Stabilization: The California Land Conservation Act of 1965, A . 29–41
SPITZ, ALLAN. Democratic Transplantation: The Case of Land Policy in Hawaii 473–484
THIESENHUSEN, WILLIAM C. Agrarian Reform and Economic Development in Chile: Some Cases of Colonization 282–292
THOMAS, FRANK H. Recreation Based Economic Development and the Growth-Point Concept (Robert A. Harper, and Theodore H. Schmudde, co-authors) 95–101
ULRICH, GUSTAV M. Trends in the Market Value of Real Property in the Central Areas of Two North Carolina Cities (Ruth L. Mace, and Charles L. Weill, Jr., co-authors) 85–94
WARD, RICHARD J. Focus in Jordan Agriculture 189–194
WEILL, CHARLES L. JR. Trends in the Market Value of Real Property in the Central Areas of Two North Carolina Cities (Ruth L. Mace, and Gustav M. Ulrich, co-authors) 85–94

REPORTS AND COMMENTS

ABRAMS, MATTHEW, J. Company Camp in Latin America: A Change in United States Mining and Petroleum Company Policy, The 523–527
ALBAUM, MELVIN. Cooperative Agricultural Settlement in Egypt and Israel 221–225
BAILEY, MARTIN J. Effects of Race and of Other Demographic Factors on the Values of Single-Family Homes 215–220
BRAY, JAMES O. Mechanization and the Chilean Inquilino System: The Case of Fundo "B" 125–129
CAREY, OMER L. "Public Investment Criteria" (Davisson): Commentary One 532–533
CHOGUILL, CHARLES L. Unemployment Bias and Employment-Shift Analysis (Bruce C. Cohen, co-author) 233–235
COHEN, BRUCE C. Unemployment Bias and Employment-Shift Analysis (Charles L. Choguill, co-author) 233–235
CONKLIN, H. E. New Forests of New York, The 203–204
CURRAN, DONALD J. Historical Approach to a Study of a Metropolitan Area 209–215
DAVISSON, WILLIAM I. "Public Investment Criteria": Rejoinder 538–542
DEVINE, E. J. Treatment of Incommensurables in Cost-Benefit Analysis, The 383–387
DONNELLY, THOMAS G. Land Value and Land Development Influence Factors: An Analytical Approach for Examining Policy Alternatives (Shirley F. Weiss and Edward J. Kaiser, co-authors) 230–233
HOLDEN, ARTHUR C. Interest Rate, Mortgage Debt, and Rent, The 103–107
HULTEN, JOHN J. Land Reform in Hawaii ..235–240
IULO, WILLIAM. "Public Investment Criteria" (Davisson): Commentary Three 536–537
KAISER, EDWARD J. Land Value and Land Development Factors: An Analytical Approach for Examining Policy Alternatives (Shirley F. Weiss and Thomas G. Donnelly, co-authors) 230–233
MANGIAMELE, JOSEPH F. Positive Approach to Population Distribution: A Case for Reversing the Trends, A 117–124
MACDONALD, GORDON D. New York: Social Action in Urban Renewal (Rosalind Tough, co-author) 514–522

YASEEN, DAVID W. Interstate Commercial Zone: An Industrial Location Factor, The.107–112

SUBJECT MATTER

A

Africa
development planning in South Africa
government policy in change 198
relative economic backwardness 196–198
see also Agriculture; Cooperatives
Agrarian structure
summary of analysis of seven Latin American Countries
concentration of land holdings 396
distribution of farm families according to status 397
factors upsetting the old regime 393
investment for reform 419
post-reform tenure systems 422
reform policies 409
tenure and contract regulations 412
traditional land tenure institutions 397
traditional structure 394
Agricultural commodities
problems of non-regulated trucking
factors affecting quality of vehicles 227
flexibility of carrier 229
stability of nonregulated trucking 228
Agricultural research
changing role of extension workers 387–389
see also Agrarian structure
Agriculture
see California Land Conservation Act, 1965; Columbia; Jordan; Land reform
Air pollution
economic analyses
definition of terms 140
problem of misallocations of resources 146
zone damages and frequency patterns 144
Appalachia
regional development policy factors
economic overhead capital 5–9
labor mobility 6–9
outmigration in lagging regions 8
public investment 4
Regional Development Act (1965) 3–9
social overhead capital 5–9
see also Depressed areas
Argentina
see Agrarian structure
Arizona, case study of mobile homes 453–463
Assessing practice
need for reform in community land-use planning 371–378

B

Brazil
see Agrarian structure

C

California
test model for aggregate housing demand .503–513
California Land Conservation Act, 1965
land use stabilization programs
compensation features 38–40
urban impact and land use changes 28–30
Central Business District, decline in property values 85–94
see also Milwaukee, Wisconsin; Ownership of real estate; Retail development
Chile
Agrarian reform and colonization cases
cooperatives not functioning 290
fragmentation-of-land factor 286
technical assistance need 291
ten-year national program 284
see also Agrarian structure
China
transportation network program since 1949
civil aviation expansion 277
maritime program 275
overland transport network 269
City planning
see Assessing practice; Urban base multiplier; Urban development; Urban growth; Urban renewal
Colombia
land tenure system in change 41–52
see also Agrarian structure
Cooperatives
agricultural systems in Egypt and Israel
administration and affiliations 224
basic principles defined 223
land tenure limitations 221
see also Chile; Rural electric cooperatives; Water power
Cost-benefit analyses
treatment of incommensurables 383–387
see also National Academy of Science; Water power

D

Demographic factors
effect on value of single-family homes 215–220
Depressed areas
trend toward polarization between areas
market adjustment approach 154–157
new economic activity approach 150–152
see also Europe; Long-term credit; Underdeveloped areas.

E

Economic development
general theoretical problems 247–259
see also Africa; Agrarian structure; Appalachia; Colombia; Chile; Depressed areas; Europe; Italy; Kuwait; Latin America; Milwaukee, Wisconsin; Recreation; Regional development planning; Underdeveloped areas
Economic theory
analysis of development: theory and practice 247–267
Ecuador
see Agrarian structure
Egypt
see Cooperatives
Europe
policy development program in depressed areas (Western Europe) 240–242

F

Forestry
see New York

G

Growth-point concept
recreation demands a major factor 95–101
see also Housing; Milwaukee, Wisconsin
Guatemala
see Agrarian structure

H

Hawaii
land reform program and progress 235–240
process of ideological transplantation 473–484
Highway finance
proposal for commercial vs. production approach 130–134
see also Milwaukee, Wisconsin
Housing
postwar boom and policy analysis
construction activity trends 181
housing vacancy rates: 1955-1964 181
non-residential construction 181
production comparisons: 1890–1964 179
see also California; Demographic factors; Housing demands; Mobile homes; Milwaukee, Wisconsin; Ownership of real estate
Housing demand
credit elasticity of lower-middle income group 464–472
see also California

I

Industrial location
potentials in competitive subsidization ...160–169
see also Interstate commercial zone; Kuwait; Locational change; Milwaukee, Wisconsin; Mobile homes; Retail development
Institutional economics
see Parsons, K. on *Transforming Traditional Agriculture* (T. Schultz)
Intermodal rate competition
transportation coordinative problem
appraisal of impact of ICC decisions 325
Interstate Commerce Commission policies 315–323
Interstate Commerce Commission
see Intermodal rate competition
Interstate commercial zone
industrial locational factor
population-distance formula 108–111
Irrigation
see Agrarian structure; Kuwait; Water power; Water resources
Israel
see Cooperatives
Italy
economic development in the South since 1950 495–502

J

Jordan
agricultural stability plan 189–192
see also Africa; Agriculture

K

Kuwait
planning in a capital surplus economy
characteristics of surplus 429
Kuwait as a supplier 433
over-specialization problems 428
pace of growth 426

L

Land ownership
see Agrarian structure; Agriculture; Chile; Hawaii; Housing; Kuwait; Land reform; Mobile homes; Retail development; Valuation
Land reform
significance of land ownership
feudalistic system break in Latin America 21–28
see also Africa; Agrarian structure; agriculture; Chile; Hawaii; Italy; Kuwait; Regional development planning
Land tenure
see Africa; Agrarian structure; Agriculture; Appalachia; Chile; Land ownership; Hawaii; Kuwait; Urban development
Latin America
paternalism in management policies 523–527
see also Agrarian structure; Chile; Land ownership; Mechanization; Underdeveloped areas
Locational change
statistical analysis of directions and change-in-employment factor 233–235
see also Mobile homes; Retail development
Long-term credit
concept of permanent investment a fallacy
credit extension and re-employment 368
mortgage debt significance 365
revolving funds issue 367
see also California; Housing demand; Mobile homes; Tenancy

M

Mechanization
system of labor contracts, Chile 125–129
see also Chile; Retail developement
Milwaukee, Wisconsin
historical analyses of metropolitan development
public finance of local units; four decades 209–215
testing of hypotheses plan 210
Mobile homes
analysis of characteristics and tax policy: case study 453–463
Mortgage financing
see Assessing practice; Housing; Housing demand; Long-term credit; Tenancy; Valuation

N

National Academy of Science
critical evaluation of oceanographic research 527–531
Natural resources
see Air pollution; Forestry; Kuwait; Water
New York City
case study in urban renewal, 1966 514–522
New York State
new suburban forests plan 201–204
North Carolina
see Real property

O

Outdoor recreation
determination of demand methodology
limitation of ORRRC 328
need for philosophy of outdoor recreation ..332

Outdoor Recreation Resources Review Reports 327–330
patterns in land use in rural areas, Wisconsin 333
Outdoor Recreation Resources Review Reports 327–330
Ownership of real estate
analysis of CBD in Seattle, Washington, and San Francisco, California 170–178
see also Assessing practice; California; Housing; Kuwait; Long-term credit; Milwaukee, Wisconsin; Mobile homes; Valuation

P

Peak-load pricing theory
ambiguities and theory of queues 354–362
Peru
see Agrarian structure
Population distribution
a case for reversing the trends 117–124
see also Housing
Population growth
see Housing; Milwaukee, Wisconsin; Mobile homes; Population distribution; Urban growth
Public investment criteria
comment and rejoinder on Davisson theory 532–542
Public outdoor recreation
uses and abuses in theoretical analyses ..485–494
see also Outdoor recreation
Public utilities
see Cost-benefit analyses; Intermodal rate competition; Interstate Commerce Commission; Kuwait; Peak-load pricing theory; Public utility investment; Rural electric cooperatives; Telephone service; Water power
Public utility investment
regulatory impact on investment problems
criteria evaluation 349
empirical tests proposals 353
evidence on investment patterns 352
see also Public investment criteria; Public utilities; Water power

R

Rate of return
see Public utilities; Water power
Real property
trends in valuation in CBD; North Carolina case study 85–94
see also Demographic factors; Housing; Long-term credit; Mobile homes; Retail development; Tenancy; Valuation
Recreation
a major factor in rural growth 95–101
Regional Development Act of 1965 3–9
Regional development planning
role of geographer
delineating of regions 79
process of development 75
see also Africa; Agrarian reform; Europe; Italy; Kuwait; Water power
Regulation
see Public utility investment; Public utilities; Transportation; Water power
Retail development
computer-programmed solution for location
composition and structural properties 296
consumer demand factor 293
firm demand 296
operating costs and profit 297
predictive capability 295
sequential steps in analysis 301
Rural electric cooperatives
low purchased energy costs
Alabama Power Company 309
Central Illinois Public Service Company ...310
Mississippi Power Company 310
Potomac Electric Power Company 311
Southwestern Public Service Company 307

S

San Francisco, California (CBD study) 170–178
see also California
Seattle, Washington (CBD study) 170–178

T

Telephone service
Marginal cost pricing at local level 378–383
Tenancy
interest rate, mortgage debt, and rent
governmental aids to credit flow 104
long-term credit 104
need for capital reserve system 105
see also Africa; Chile; Housing; Long-term credit; Mobile homes
Tennessee Valley Authority
see Water power
Transforming Traditional Agriculture
review comment of T. Schultz book, by K. Parsons 112–117
Transportation
see Agricultural commodities; China; Highway finance; Intermodal rate competition; Interstate Commerce Commission; Mobile homes; Underdeveloped areas; Water power
Trucking
see Agricultural commodities; China

U

Underdeveloped areas
role of transportation and economic integration policy 205–209
see also Agrarian structure; Economic development; Kuwait
Urban base multiplier
evaluation of current findings
early multiplier analyses 342
export and long-run growth 345
Homer Hoyt formulation 340
Urban development
public versus private ownership of land 11–20
see also Assessing practice; California; Milwaukee, Wisconsin; Mobile homes; Ownership of real estate; Retail development; Urban base multiplier; Urban growth
Urban growth
structural change in twenty-one world cities
population trends over sixteen decades 54
sources of increase 56–58
see also California; Housing; Milwaukee, Wisconsin; Mobile homes; Regional development planning, Retail development; Urban base multiplier

Urban renewal
economic justification analysis 64
effect on property values 67–68
influence on community 70–72
see also California; Housing; Milwaukee, Wisconsin; Mobile homes; New York City; Ownership of real estate; Real property; Retail development

V

Valuation
land development influence: case study in North Carolina Piedmont region 230–233
see also Assessing practice; Mobile homes; Mortgage financing; Water power

W

Water power
legislative study of federal regulations, 1901-1913 441–452
Water resources
see Jordan; Water power
Wisconsin
see Outdoor recreation
